Jolie's Sun in Sagittarius and Nathan's Sun in Leo:

Warmth, enthusiasm, vitality, and joy are kindled when the two of you are together, and there is great magnetism between you. Jolie draws Nathan out, evoking the more light-hearted, fun-loving side of Nathan. Jolie also keeps Nathan from getting stuck in a rut, introducing new ideas and experiences that Nathan enjoys. This is a mutually beneficial relationship which promises lots of good times.

Jolie's frequent indifference or obliviousness to other's personal feelings can result in blunt comments that wound Nathan's easily hurt pride. Nathan is also more loyal than Jolie, who tends to wander (in actuality and fantasy) more than Nathan does.

Jolie's Moon in Leo and Nathan's Moon in Cancer:

Proud and somewhat self-centered, Jolie very much wants recognition, appreciation, applause, and to be the favorite or the center of attention. Jolie craves affirmation and love but may be hard to know really well, as weaknesses, problems, doubts or insecurities are rarely admitted to.

Jolie has a dramatic streak and tends to exaggerate or blow things out of proportion. Wounded pride or a feeling of being ignored, neglected, or "not special" are Jolie's particular sensitivities. Nathan is a much softer, more private, sensitive shy person than Jolie is, much less of a showman, and Jolie's histrionics are too much for Nathan at times. Jolie is usually sunny, sociable, good humored, while Nathan is often moody and needs to withdraw sometimes. Nathan has emotional ups and downs, while Jolie is fairly constant emotionally. You may be a complementary pair, though, because Nathan is supportive and will not compete for dominance with Jolie, and Jolie appreciates Nathan's supportiveness and sympathy. You are both very protective, loyal, and warm toward one another.

Jolie's Sun Conjunct Nathan's Saturn:

The two of you often work well together on shared responsibilities and practical matters of importance. However, there is also a constrained, serious tone to the relationship that can make it stifling and frustrating. Nathan has a strong tendency to criticize and judge Jolie's actions, sometimes accurately and sometimes unjustly. Nathan should guard against this tendency to dampen Jolie's enthusiasm, and Jolie needs to avoid being overly sensitive to Nathan's suggestions and criticisms. Nathan's tendency to dominate, control, or even repress Jolie makes Jolie feel resentful at times, and Jolie may feel lowered vitality and self-confidence after being with Nathan for a long time. You must make room for lightness and play, or you both will feel burdened by the tone that is set between you.

Nathan's Sun Opposition Jolie's Saturn:

It is likely that a restrictive, limiting, and even oppressive tone develops in this relationship. Jolie can fall into the role of being the parent, teacher, or taskmaster of Nathan, causing Nathan to feel inhibited and confined by Jolie's seriousness and inflexibility. If Nathan can benefit from the responsible and concerned attitude of Jolie and Jolie can refrain from taking problems or concerns too seriously, then the positive sense of maturity, responsibility, and stability of the relationship can overcome the negative tendencies.

Jolie's Sun Trine Nathan's Sun:

Your basic aims and approach to life are in harmony, and the mutual respect you feel forms the basis of an excellent friendship or partnership. You feel understood, appreciated, recognized, and affirmed by one another.

You stimulate, vitalize, motivate, and believe in each other.

Nathan's Moon Conjunct Jolie's Mars:

There is a dynamic, almost aggressive quality to your relationship. A good outlet for this energy is competitive sports and outdoor activities. You enjoy challenging each other and competing against one another. You also have the ability to accomplish a great deal together and make a dynamic working partnership - as long as you can refrain from arguing with each other.

Nathan's Moon Trine Jolie's Mercury:

You enjoy long talks and you feel very much at home with each other. You are able to openly share your feelings about almost any subject. You will find that as you spend more time together, your tastes, interests, hobbies, and activities tend to blend together harmoniously. Your friendship is a strong and lasting one.

Nathan's Moon Trine Jolie's Pluto:

The two of you will grow to be very close friends. You are able to really "feel" what the other is saying. For example, whether you are playing sports, watching a movie, or showing each other something you really like, you find that most often you can do it with an intensity and depth of feeling that you cannot express to most people.

Jolie's Moon Sextile Nathan's Jupiter:

A pleasant, harmonious tone pervades your relationship. This quality is so natural to your association that it is easy to take it for granted. You feel very at home and comfortable with each other. You put each other in a good mood. You may, however, also bring out a lazy, indolent, self-satisfied side in one another.

Jolie's Mercury Opposition Nathan's Jupiter:

Issues of broad scope such as religion, philosophy, and politics play a major part in your relationship. You work well together in areas that involve long-distance communication, mass media, or philosophical issues. Nathan challenges Jolie to take a broader, more inclusive view of any situation.

Nathan's Mercury Square Jolie's Pluto:

Your conversations have a deep, probing quality. There is a strong tendency to attempt to coerce each other to understand your point of view and agree with you. Jolie may attempt to dominate Nathan's thinking, or radically alter Nathan's view of things.

Jolie's Venus Trine Nathan's Jupiter:

You are generous with one another, always ready to help each other, and you have a great respect and appreciation for one another. You allow one another a lot of freedom to develop other friendships, rather than clinging possessively to one another. You may also benefit from one another materially as well as emotionally.

Nathan's Mars Opposition Jolie's Jupiter:

You spark each other's ambitions and hopes. You find yourselves scheming together, developing business plans, or other strategies for achieving success. You encourage each other to set your goals high and it is likely that you will undertake several joint ventures together. Over-optimism and unrealistic hopes are your liabilities; enthusiastic hard work is your asset.
